EMERALD WAY

Where community meets city living.

One of Manchester's most beloved neighbourhoods, Emerald Way in Chorlton offers the opportunity to be part of something special. With its diverse mix of cultures and bohemian vibe through its art scene, including the annual Chorlton Arts Festival and The Edge Theatre and Arts Centre, this area has a strong sense of community spirit.

Simply step outside for a fresh coffee at one of the many parkside coffee houses. Head to the high street to find artisan bakers like the Unicorn Grocery and explore a wonderful selection of products in the Curious Fox gift shop. Enjoy a laid-back evening at The Lead Station, head to Bar San Juan for delectable Spanish tapas or sample fine wines and small plates at The Cellar Key.

With The Chorlton Metrolink only a short walk from home, it's just 15-minutes to reach Manchester city centre, MediaCity UK and the wider region. But with so much to enjoy on your doorstep, you might not want to leave.

Embrace next generation city living.

With both one and two-bedroom apartments available, you can pick a space that works best for you.

Expect everything you need, such as high-specification built-in kitchen, fully fitted bathroom and high-quality flooring, with some luxury touches to make it feel like home.

For apartments above the ground floor, you'll find apartments with private balconies, including some corner balconies, where you can take in the tranquil views across the greenery of Beech Road Park without interruption.

And built with an eye for detail, you'll also find features such as open plan kitchen, brand-new fixtures and fittings and ample space for appliances.

There's allocated parking and bicycle storage space and if you want to head further afield, you're just a few minutes from the tram station connecting you to everything else in this stunning part of the country.

Turning your dreams into reality.

Emerald Way offers you the chance to make an investment in your future and with shared ownership, you can get a foot on the housing ladder without needing a huge deposit.

Shared ownership is a way to own part of your home while you rent the rest. Buying a share of a home means your deposit is based on a lower value, making that home ownership dream a reality.

With the security of a 990-year lease, a £500 annual contribution to your home's maintenance for the first 10 years*, and options to buy more shares each year, you can eventually own all of your home.

Shared ownership makes it easier than you think to get on the housing ladder.
